TOUCH

The welcome screen is the first interaction for your customers. If you wish to customize it to match your template, we offer this service for an additional fee.

POSE

Users can choose from a still image, GIF or boomerang.
A countdown will initiate, and the fun begins!

SHARE

Customers can input their email or phone number for instant access to their photo & sharing on social media.

CUSTOMIZE

HOW IT WORKS

- Tell us about your event
- Provide us with details (titles, logos, dates etc...)
- Let us know how many pictures each template (1,2,3 or 4)
- Next, our designer will create your custom template and submit it for your approval.

If you require any adjustments or modifications, we are pleased to offer up to two revisions at no additional cost. Subsequent changes will incur a nominal fee.
